NewCap Radio Group to be at the Trade Show

One of the association's long time supplier members has arranged with Newcap Radio Alberta to be in attendance at the AOWMA trade show.

Alberta Wilbert Sales has booked Newcap to broadcast from the AOWMA trade show from 1 p.m. to 4 p.m. on Friday, January 27. Newcap will interview attendees and report on the activities in the trade show hall as they broadcast to their group of 32 radio stations throughout the province.

Key Activities at the Annual Convention and Trade Show

A comprehensive program has been planned for delegates to the annual convention and trade show. Some of the key activities taking place are:

Technical

- Pressure Distribution Workshop— AOWMA
